Called to Order at: 7:08pm

### **Call to Order: Welcome and Introductions**

Lorraine Cho, President, wants to do quick introduction of board (of those present). Presented members and their title.

### **PTO Mission**

Last year raised \$112,000. It is a lot of work but totally worth it b/c it comes back to kids. That is our mission - raise money to give back to the kids.

Every dollar we raise goes back to school, other than a small amount allocated to PTO overhead (insurance, storage cost). The PTO belongs to us, our kids, and our teachers.

### **Current Business**

Jeanette went over flyer for fundraising options, including Benefit Mobile, Amazon Smile, Box Tops, can also just volunteer, or donate.

Tacolicious nite - coming up in October. Last year Tacolicious raised \$1M for local schools. Tacolicious gives us every Monday of the month of October, no flyer needed, get portion of all revenue raised during the day. Tacolicious gives 15% back to Trace.

Plug for merchandise on Fridays - more gear coming in after budget approved.

Question re: box tops - there are two expiration dates per year. Jeanette has two dates to submit to Box Tops. Send in with child to give to teacher or drop in PTO box in office. Help Jeanette by checking box tops to make sure they aren't expired yet.
